NEIGHBORHOOD ESCAPE

This Halloween Event is for families and youth. It's an Escape Room style game that involves finding clues and solving puzzles at different homes in and around Stouffer Avenue. Kids can wear costumes and there will be food and drinks, but this is not trick or treating. Registration is required. FAMILY NIGHT STAR WARS STYLE

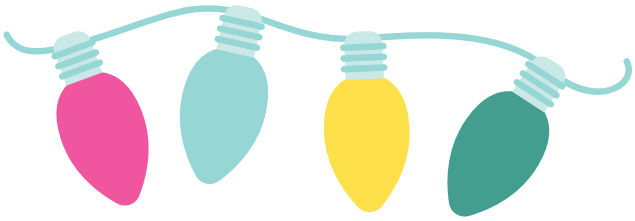
November 11
This event will be most fun in person, but can be done virtually. Families register and receive a 'Prep Pack'. We will meet in the church if feasible or on zoom and families compete in different Star Wars themed challenges.

CHRISTMAS IS COMING!


My hope is to meet up after church on Sunday December 6 and split into groups and visit homes of members to carol.
