ACTIVITIES TO HELP ENGAGE CHILDREN IN WORSHIP

SEPTEMBER 20, 2020

FAMILY Notes

Hi there families!

These past few weeks and months have been filled with uncertainty and change - especially when it comes to church life. Thanks for worshipping with us in the park!

Don't worry about your kids being perfect during worship! We know and expect services to be a little more, well, exciting with kids present. Please don't stress about this - especially if you have toddlers and pre-schoolers. We love you and want to see you and your kids!

We also want to provide resources and support to your family to make worshipping together the best possible experience it can be!

This 'children's bulletin' is a great way to engage kids with the service. We will also use it in our program following the worship service.

In the '**KidMiN BiN**' located at the table closest to the band shell, are creative tools for your child to use during service:

Pencils
Markers
Pipe cleaners
Playdough
Crayons
Stickers
Chalk boards/chalk

Sanitizing

If you return items to the '**BiN**' after service, we will do our best to sanitize what we can.

Playdough cannot be sanitized, so if your child takes a container of playdough, we would love for you to keep it and bring it with you each week. I know that's a lot to ask, but perhaps now is a great time to utilize the 'First Lights drawstring backpacks' we give to kids! If you need one let me know!

I'm told that germs dissipate after 5 days, so we should be okay to share supplies, but I know everyone has different comfort levels. Please feel free to bring your own supplies or sanitize before using. We won't be offended. We want everyone to stay healthy and feel safe.

KID'S Notes

Close your eyes. Tell God you want to worship Him with your heart and mind.

What is your favorite song to sing at church?

As you listen to Pastor Steve's sermon, put a tick mark [a straight line] every time you hear the word, 'grace.'

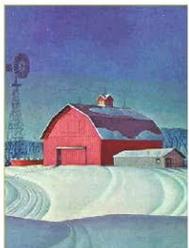

Finish the Story

1. There was an old farmer who noticed a flock of birds in the middle of winter.

2. They were cold and looking for shelter. A winter storm was coming and they could freeze to death.

3. He knew his barn was warm and able to provide a safe place to stay.

4. So he opened the barn doors. But the birds were afraid, and would not go in.

5. He had to find a way to tell the birds, or show them what they must do to be saved. He finally realized what he needed to do.

6. The farmer _____

Parents—do this during prelude or call to worship. Hug your child. Tell them you love them so much! Tell them God loves them too!

We sing to praise God. We can praise God with our bodies. Raise your hands and shake them. Spin in a circle. Crouch down low. Jump up high.

God gives the best gifts. Can you make a gift box with playdough?

Who does God love? Draw them below:
