ACTIVITIES TO HELP ENGAGE CHILDREN IN WORSHIP

OCTOBER 18, 2020

FAMILY Notes

Hi there families!

These past few weeks and months have been filled with uncertainty and change - especially when it comes to church life. Thanks for worshipping with us in the park!

Don't worry about your kids being perfect during worship! We know and expect services to be a little more, well, exciting with kids present. Please don't stress about this - especially if you have toddlers and pre-schoolers. We love you and want to see you and your kids!

We also want to provide resources and support to your family to make worshipping together the best possible experience it can be!

This 'children's bulletin' is a great way to engage kids with the service. We will also use it in our program following the worship service.

At the welcome table for children located near the band shell, are creative tools for your child to use during service:

- Pencils
- Markers
- Pipe cleaners
- Playdough
- Crayons
- Stickers
- Chalk boards/chalk

Sanitizing

If you return items after service, we will do our best to sanitize what we can.

Playdough cannot be sanitized, so if your child takes a container of playdough, we would love for you to keep it and bring it with you each week. I know that's a lot to ask, but perhaps now is a great time to utilize the 'First Lights drawstring backpacks' we give to kids! If you need one let me know!

I'm told that germs dissipate after 5 days, so we should be okay to share supplies, but I know everyone has different comfort levels. Please feel free to bring your own supplies or sanitize before using. We won't be offended. We want everyone to stay healthy and feel safe.

KID'S Notes

It's time to be with God! How do you open your heart to God? Deep breaths? Singing?

What five-letter word becomes shorter when you add two letters to it?

Can you believe in Christ and repent using your own power? Why or why not?

In your Bible or in the adult bulletin, re-read the scripture. 1. Circle in blue all names for Jesus. 2. Mark the fruits of the spirit by drawing a red triangle and coloring it yellow. 3. Mark each time you see 'one' by drawing a square around the word and coloring it pink.

What do you think your most important body part is?

If the church is a body, is the pastor the head? If not, who is?

How can you lean forward without falling over?

Do you remember which VBS featured a horse and the Bible Point—Stand Firm?

Why don't trees blow over in a breeze or hurricane?

List the people in your life who help you stay faithful

Take time right now to talk to God about those people:

DEAR GOD,

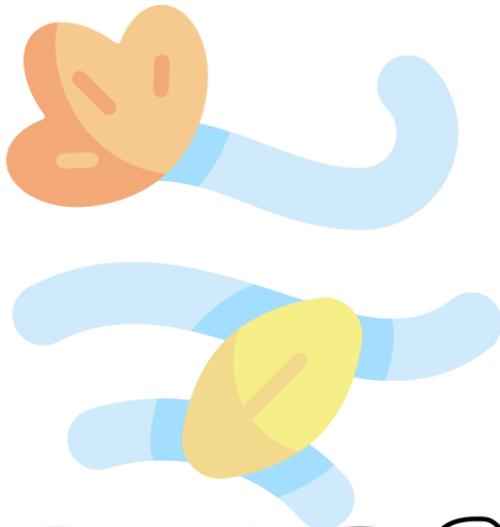

PRESCHOOL Play pages

Parents—do this during prelude or call to worship. Point to other members of the congregation. Say their name and tell your child that God is with them. Then say, God is with [your child's name] always and forever.

We sing to praise God. We can praise God with our bodies. Can you act like a monkey? What does a monkey dancing look like?

We are in the season of fall! Can you find leaves on the ground? Collect as many as you can without going too far from your parents!

Listen Closely!

Here are several pictures and words you might hear today during the church service. Listen closely during the songs, the Scripture and the sermon for these words.

If you hear one of the words, color in the shape beside the picture.
